Disney PERFORMING ARTS

ONSTAGE

WALT DISNEY WORLD RESORT

There's nothing more exciting, or more magical, than performing on a Disney stage in front of an international audience of thousands. Through Disney Magic Music Says, performing groups including bands, choirs, orchestras, dance ensembles and drill teams audition to be part of the "Disney Show". Disney Magic Music Days participants get a taste of show biz – Disney style – as featured performers at the Walt Disney World Resort. It's an experience full of emotions, excitement, pageantry and pride that's sure to be the highlight of the year and a magical moment for a lifetime!!

What is Disney Performing Arts Onstage?

Student and community performing groups of 10 or more, such as bands, orchestras, vocal groups and dance or drill ensembles are given the opportunity to perform "on stage" for approximately 25 minutes at select locations throughout the Walt Disney World Resort.

Who can participate?

Any group of youth or adult performers interested in broadening their performance horizons. Groups must apply and meet audition qualifications. There are no age restrictions for performers. Past performing groups have included – marching, concert and jazz bands, show and jazz choirs, orchestras, dance and drill teams, color guards, pom squads, performance groups from dance studios, community orchestras, voice ensembles, show and gospel choirs.

Are there educational opportunities?

Disney Performing Arts Workshops offer the ultimate educational experience, and have been recognized by MENC: The National Association of Music Education who officially endorses Disney Magic Music Days Performances and Workshops.

When are performances available?

Performances are available daily throughout the year. Performances can be scheduled any time during the day or evening, based on availability.

Is Disney Theme Park admission required to perform?

Yes Each performance requires using one day of Theme Park admission in the Theme Park where the performance is staged. Once the performance is complete the group must return to the pre-staging area to change and store equipment before returning to the Park to enjoy the rest of the day. Groups will need to provide their own transportation to and from the park.

May additional family members go with the performing group?

Adult family members as well as siblings (up to the same number as performers, except for dance groups, for which there is no limit) may also join the group and are required to pay according to ticket ratios.

Disney's Magical Express Information

With Disney's Magical Express Transportation, bypass the hustle and bustle of baggage claim, as Disney transports you from Orlando International Airport to your Disney Resort hotel, and pick up and deliver your bags to your room. And when your tour ends, enjoy our complimentary service back to the airport. Here's how it works:

1. Give all of your flight information to your tour coordinator (this should all come in one file from the director or coordinator of your group). Then, attach the tags you receive in the mail to your luggage and bring the included vouchers with you to the airport.
2. Upon landing at Orlando International Airport, skip baggage claim and proceed to the Disney Welcome Center. Disney will collect your luggage and deliver it directly to your Disney Resort hotel room. (If you choose to not have Disney pick your bag at baggage claim, you may do so BUT you must either keep your bag with you until your room is ready for check-in or check your bag with the front desk at your own expense.
3. Sit back, relax and enjoy the ride as Disney transports you to your Disney Resort hotel in an air-conditioned motor coach.
4. Your bags will be placed in your room the evening of your arrival. Disney estimates 3 hours after your arrival, but depending on volume it may take a bit longer. You do not need to be in your room to receive your luggage. Please pack any valuables, medications or anything you need immediately upon your arrival in Orlando in a carry-on bag (such as a change of clothes, bathing suit).
5. As your tour draws to a close, you'll be notified of the pick-up place and time for your motor coach ride back to the Orlando International Airport.
6. How long is the travel time from the Orlando International Airport to my Resort hotel? The approximate travel time is 45-75 minutes. The motor coaches may make up to three (3) stops before arriving at your Resort hotel.
7. What if I did not receive my **Disney's Magical Express** Service information packet, including vouchers and luggage tags, prior to leaving home? Once you arrive at Orlando International Airport, please proceed directly to the **Disney Welcome Center** (B side, Level 1). You do not need to claim your luggage. Disney will obtain your information, collect your luggage and deliver it to your room at your Resort hotel. At the **Disney Welcome Center**, you will be asked for your airline baggage claim checks and a brief description of your luggage. You will also be asked to confirm your return flight information if you are using **Disney's Magical Express** Service for transportation back to Orlando International Airport at the end of your stay.
8. On my day of departure, how will I know what time a motor coach will pick me up at my Resort hotel to return to Orlando International Airport?
The day before you check out, you will receive a Transportation Notice advising you of your motor coach pick-up time and giving you other general information. Your motor coach pick-up time will be approximately three (3) hours prior to your flight departure time from Orlando International Airport. You are responsible for bringing your luggage to the motor coach pick-up location.
9. Will the motor coaches accommodate wheelchairs? Yes. However, please indicate at the time of your booking that you will be traveling with a wheelchair.
